## Camp Make Believe Kids Scholarship for kids...

We wish to help as many children as we can by offering a scholarship rate to support families in these tough economic times. The Camp Make Believe Kids after-school program builds emotional competence in kids and has been serving Southern Nevada since 1996. Many Las Vegas children have been through this life skills program and we continue to grow and flourish with the support of the parents, schools and churches. Now we would like to give back to our community by offering a Scholarship Fund.

The idea was initiated by Mary Grossman, sister to the founder and creator of Camp Make Believe Kids, Pamela Goldberg. Mary has been working with the families of Camp Make Believe for the last two years, assisting in coordinating the administrative paperwork needed to establish a child in the program. After listening carefully to the parents, whose standard of living has been lowered during today's trying times, Mary coordinated a volunteer drive at CMB Headquarters and started a Scholarship fund to help alleviate the costs!

Camp Make Believe Kids mission is to give children the skills needed in life to reach full potential, make better choices, create self-esteem, self-confidence and self-control. Scholarships applications can be downloaded directly from the Camp Make Believe Kids website. Please take advantage of this Scholarship Fund and enroll your child in our next program.
